About JNTUACEA

JNTUA College of Engineering (Autonomous) Ananthapuramu, an esteemed engineering college in Andhra Pradesh was established in 1946. It has been growing continuously in size with respect to intake, faculty strength, number of academic programs offered and infrastructure.

The department of Humanities and Social Sciences was established as an independent department in the year 1976. The department has been catering to the steadily growing and diversifying requirements of all the branches of engineering. The department always aims to remain like a beacon in leading students to the path of noble deeds, aspirations and truth. It is always committed to offer value added instruction to widen the horizon of vision for the enrichment of analytical tools, conceptual, managerial, as well as, interpersonal communication skills.

This FDP focuses on creating a lively interest in soft skills and personality development for the career development and professional satisfaction of teachers. Change and development of the learner presupposes the change and development of the teachers. In order to become the best in our field, we need not only stress on the hard or technical skills, but also on the soft or life skills. Therefore this FDP attempts to inculcate humane aspects of teaching-learning process in the faculty.

Objectives of the FDP

- ✓ To create awareness on the significance of soft skills for the career.
- ✓ To improve the professional dedication of teachers.
- ✓ To equip teachers to teach academic subjects more effectively by blending their soft skills with hard skills.
- ✓ To inspire their students with leadership skills.
- ✓ To make them superior human beings
