About JNTU Anantapur

Jawaharlal Nehru Technological University Anantapur is a premier institution in technical education, known for its commitment to academic excellence, innovation, and research. Established with a vision to nurture talent and create future leaders, JNTUA offers cutting-edge programs across various disciplines. The university actively collaborates with industry and academia to enhance skill development and promote entrepreneurship.

Program Outcomes

- Gain expertise in delivering entrepreneurship and innovation-based courses.
- Be equipped with tools and frameworks to mentor aspiring entrepreneurs.
- Understand real-world applications of startup development and funding strategies.

About Wadhvani foundation

The Wadhvani Foundation is a global organization dedicated to accelerating economic development through large-scale initiatives in entrepreneurship, innovation, and workforce development. Their Ignite Program fosters an entrepreneurial mindset among students, empowering them with skills to build and scale new ventures. The foundation's mission aligns with creating job opportunities and strengthening economies worldwide.

Target Participants

- Faculty members from JNTUA constituent, & affiliated colleges.
- Faculty from any discipline (Engineering, Management, Pharmacy)

About the Program

The Train the Trainers Program is designed to equip educators and professionals with the necessary skills to deliver entrepreneurship and innovation-based courses effectively. This initiative ensures that trainers can mentor students using structured methodologies, industry insights, and interactive teaching techniques.

Course Objectives

- To develop entrepreneurial teaching skills and methodologies.
- To enhance the ability to mentor students in venture creation.
- To understand the latest trends in entrepreneurship and innovation

Resource Persons

Experts from Wadhvani Foundation

Requirements to Participate

- Participants should bring their laptops
- Commitment to completing the program and implementing learnings.
