To  
The Principals of all Constituent and Affiliated Colleges of Engineering, Pharmacy and  
Standalone Colleges,

Dear Sir/Madam,

**Subject:** JNTUA – Train the Trainers Program – Entrepreneurship – Nomination of participants –  
Regarding.

In continuation to the Principals' meeting held on 19-02-2025, it is to inform that JNTUA Ananthapuram is planning to have a collaboration with the Wadhvani Foundation, a philanthropic organization working in India for the past 2 decades in the area of Entrepreneurship for introducing a course on the "**Entrepreneurship and Venture Creation**" as a **3-credit open elective in III Year UG for R-23 Regulations and II Semester of all PG Courses** across all the disciplines, as lot of emphasis is given by the government to encourage job creators rather than the job seekers.

To ensure effective implementation of this new-age skill course, we strongly encourage colleges to motivate students to opt for this course, which will not only enhance their employment prospects but also nurture an entrepreneurial mindset.

In this regard, Wadhvani Foundation will conduct an offline "**Train the Trainers Program**" from **10th to 14th March** at the **JNTUACE Ananthapuram** campus.
